« The lake, the mountain, the emotion. »

A full-page photograph of three trail runners (two women and one man) running along a rocky ridge. The runner on the left is wearing a black hijab and a black jacket. The middle runner is wearing a white bucket hat and a black jacket. The runner on the right is wearing a black cap and a brown and black jacket. They are all running towards the right. In the background, there is a large blue lake, rolling hills, and a clear blue sky.

THE TAKERKOUST SPIRIT

Run along the water and the ridges.

Lakeshores, the Kik plateau, wild trails facing the snow-capped peaks. Since 2018, the Trail Lac Lalla Takerkoust has opened the Trail Maroc adventure: a celebration open to all, elites and amateurs, honouring sustainable sport and the beauty of the land.

« Where the Trail Maroc adventure began. »

The lake, the dam, the Kik plateau.

Nestled between the hills and the snow-capped mountains of the High Atlas, Lake Lalla Takerkoust offers a unique ecosystem. The courses blend shores, dam and Kik plateau trails.
